Original Paintings have a variety of unique flaws making them originals. We can clean up paintings with a computer for Limited Editions, but most originals oils and watercolors have flaws. Flaws are often part of the art of the original painting. All original oils should be carefully cleaned and varnished every few years by professional art restorers. Any scratches or damage to any originals must be fixed by a professional art restorer, not the artist.											
NOTE: NO COMMISSIONS BY WYLAND AT ANY TIME - THANK YOU!
